PROFESSIONAL SUMMARY

Founding product growth marketer with 6+ years building GTM, content, and pipeline motions from zero for technical and vertical AI products. Owns the full loop from narrative to demand: positioning that resonates with senior technical buyers, ABM to defined target-account lists, and marketing-influenced pipeline tracked through to demos. Comfortable as the only marketer in the room, building the playbook rather than inheriting one. MBA; PMP certified.

EXPERIENCE

Founding Product Growth Manager, GTM and Marketing | Aisepedia *Sept 2025 - Present | San Francisco, CA*

- Built the GTM and commercialization function from zero, generating \$400K in qualified pipeline across 134 tracked accounts and landing the first enterprise deal (Splunk, a Cisco company) in direct partnership with the founder.
- Owned an in-person launch event end-to-end including venue, logistics, speakers, and follow-up, drawing 36 senior attendees with speakers from Meta, Google, and Atlassian, and running the recruitment of a 27-member design partner program (18 Director/VP/SVP from Atlassian, Databricks, Reddit, Splunk, Taboola).
- Built marketing automation and an AI-assisted operating workflow (n8n, HubSpot, Calendly triggers) to accelerate lead follow-up and lifecycle engagement, defining 22 KPIs across acquisition and activation.
- Instrumented an 11-event Mixpanel and PostHog tracking plan across an 8-stage funnel, tracking marketing-influenced activation and lifting beta cohort completion to 22%.

Senior Analyst, Revenue and Strategy | POLITICO *May 2024 - June 2025 | Washington, DC*

- Built and ran the daily and monthly revenue reporting on a \$125M active subscription book across 5 product lines and 5,300-plus accounts, used weekly by the CEO, COO, and VP Finance to steer renewal and pricing decisions.
- Surfaced \$2.6M in recoverable ACV and \$250K in monthly expansion by analyzing renewal, upsell, and wallet-retention signals across a \$32M YTD bookings pipeline, tracking the flagship product to a 110% net wallet-retention rate.

Technology Sales Specialist | Quantum Corporation (incl. EnCloudEn) *Oct 2021 - Jul 2022 | Bengaluru, India*

- Recovered \$473K YoY by running Salesforce renewal audits across 80-plus accounts, driving ~105% of target and ~18% acquisition growth as the product and GTM interface between a 5-person engineering team and the SVP of Product.

Lead, Business Strategy | Peepal Consulting *Dec 2018 - Jul 2020 | Bengaluru, India*

- Exceeded quarterly revenue targets by 15% and earned the company's top performance award by directing go-to-market and account strategy across 56 enterprise accounts with targeted messaging.
