AI-fluent Founding Product Marketing Manager with 5+ years of experience in B2B SaaS category creation and enterprise sales enablement, known for partnering with Product and Engineering to translate complex Agentic AI capabilities into human-centered narratives that drive pipeline and adoption.

EXPERIENCE

Product Strategy Manager | Aisepedia (Aiseberg Inc.) *Sept 2025 - Present | San Francisco, CA*

- Conceptualized and launched Aisepedia from scratch as the unified environment for product marketers to manage products, customers, competitors, and ICPs, successfully scaling adoption across 58 live enterprise environments.
- Crafted category-defining, outcome-led narratives for an AI-native B2B SaaS platform, translating complex workflows into simple, human-centered value propositions that reduced early-stage user abandonment by 24%.
- Partnered deeply with the founder, product, and engineering to influence roadmap direction, conducting 100+ user interviews to build competitive frameworks, including Battle Cards and Competitor Canvases - adopted across 32 active enterprise sales conversations.
- Brought consumer-grade user experience clarity to technical product marketing, architecting narrative-led onboarding strategies that shortened the time-to-AHA moment by 1:40 minutes for enterprise users.

Senior Analyst, Revenue and Strategy | POLITICO *May 2024 - June 2025 | Washington, DC*

- Led cross-functional alignment between Sales, Finance, and Executive leadership (CEO, COO) by designing a complex attribution framework from scratch, recovering \$2.6M in subscription ACV through pricing optimization and targeted retention messaging.
- Blended qualitative and quantitative behavioral signals to identify \$250K in monthly expansion opportunities, successfully translating data insights into lifecycle engagement and pricing strategies.
- Directed a highly ambiguous, two-month system migration, establishing automated validation rules and enabling 21 Account Executives to ensure frictionless enterprise adoption with zero errors.

Technology Sales Specialist | Quantum Corporation (incl. EnCloudEn) *Oct 2021 - Jul 2022 | Bengaluru, India*

- Acted as the key agent between 10+ enterprise accounts and a 5-person engineering team, translating customer needs into feature briefs and roadmap priorities that drove an 18% increase in user acquisition.
- Architected the Q1 2022 GTM strategy based on deep market research and competitive intelligence, refining product positioning to achieve 105% of the quarterly revenue target.

Lead, Business Strategy | Peepal Consulting *Dec 2018 - Jul 2020 | Bengaluru, India*

- Directed go-to-market and account strategy across 56 enterprise accounts, developing targeted messaging that consistently exceeded quarterly revenue targets by 15% and earned the company's top performance award.
-

EDUCATION

MBA - American University, Kogod School of Business *2024 | (Washington DC, USA)*

BE, Mechatronics Engineering - Acharya Institute of Technology *2018 | (Bengaluru, India)*
