Founding product marketer with 6+ years building GTM strategy, positioning, and competitive intelligence for technical B2B and agentic AI products. Built the commercialization function from zero at an AI-native startup, generating \$400K in qualified pipeline across 134 tracked accounts and landing the first signed enterprise deal (Splunk, a Cisco company). Partners directly with founders and product leadership to turn complex capabilities into category narratives, sales enablement, and measurable activation.

EXPERIENCE

Founding Product Marketing Manager | Aisepedia (Aiseberg Inc.) *Sept 2025 - Present | San Francisco, CA*

- Generated \$400K in qualified pipeline across 134 tracked accounts and closed the company's first signed enterprise deal (Splunk, a Cisco company, converted from design partner to paid) by building the GTM and commercialization function from zero in direct partnership with the founder.
- Recruited and ran a 27-member design partner program of senior product marketing leaders (18 at Director, VP, or SVP level from Atlassian, Databricks, Reddit, Splunk, and Taboola), running 32 discovery sessions that shaped positioning and roadmap.
- Built the competitive intelligence layer, turning competitor research into battle cards and objection-handling frameworks that equipped the team across 30-plus enterprise sales conversations against LLM and incumbent alternatives.
- Cut early-stage onboarding abandonment 24% by instrumenting an 11-event Mixpanel and PostHog tracking plan across an 8-stage activation funnel, surfacing drop-off points that drove an onboarding redesign and shortened time to value ~1:40.
- Built a 5-touch lifecycle email and re-engagement system tied to Calendly and HubSpot triggers, defining 22 KPIs across acquisition and activation to lift beta cohort activation to 44% canvas exploration and 22% full-funnel completion.

Senior Analyst, Revenue and Strategy | POLITICO *May 2024 - June 2025 | Washington, DC*

- Recovered \$2.6M in ACV by partnering across Sales, Finance, and executive leadership on enterprise renewal and pricing governance, and built the reporting used weekly by the CEO, COO, and VP Finance.
- Identified \$250K in monthly expansion opportunities by blending qualitative and quantitative behavioral signals, translating data into lifecycle engagement and pricing strategies for leadership.
- Enabled 21 Account Executives to adopt a new system with zero errors by directing a two-month, high-ambiguity migration and establishing automated validation rules.

Technology Sales Specialist | Quantum Corporation (incl. EnCloudEn) *Oct 2021 - Jul 2022 | Bengaluru, India*

- Recovered \$473K YoY by running Salesforce renewal audits across 80-plus accounts, driving ~105% of target and ~18% acquisition growth as the product and GTM interface between a 5-person engineering team and the SVP of Product.

Lead, Business Strategy | Peepal Consulting *Dec 2018 - Jul 2020 | Bengaluru, India*

- Exceeded quarterly revenue targets by 15% and earned the company's top performance award by directing go-to-market and account strategy across 56 enterprise accounts with targeted messaging.

EDUCATION

STEM MBA - American University, Kogod School of Business *2024 | (Washington DC, USA)*

*Merit Scholarship recipient; Graduate Research Assistant to the Chair, Department of Management.
President, ASCEND AU; VP Marketing, Graduate Business Association.*

BE, Mechatronics Engineering - Acharya Institute of Technology *2018 | (Bengaluru, India)*
