SUMMARY

Growth-focused product operator with 6+ years owning acquisition, activation, and retention funnels for AI-native and B2B products. Built self-serve onboarding, lifecycle systems, and measurement infrastructure from zero, instrumenting funnels and running experiments that materially lifted activation and cut drop-off. Works from first principles across product, engineering, design, and analytics in unstructured, high-ownership environments. MBA; PMP certified.

EXPERIENCE

Founding Product Growth Manager | Aisepedia (Aiseberg Inc.) *Sept 2025 - Present | San Francisco, CA*

- Owned the activation and retention funnel end-to-end for a self-serve AI product, redesigning onboarding from data-entry-first to output-first and cutting early-stage abandonment 24% while shortening time to first value ~1:40.
- Built product measurement from scratch, instrumenting an 11-event Mixpanel and PostHog tracking plan across an 8-stage funnel, defining 22 acquisition and activation KPIs, and using SQL and behavioral analysis to surface the highest-leverage drop-off points.
- Built new growth systems from scratch including a 5-touch lifecycle email and re-engagement flow tied to HubSpot triggers, lifting beta cohort activation to 44% canvas exploration and 22% full-funnel completion.
- Developed deep understanding of customer behavior through 32 structured research sessions with senior users, translating friction and intent signals into shipped product and funnel improvements.
- Generated \$400K in qualified pipeline and helped land the first enterprise deal (Splunk, a Cisco company) alongside the growth work.

Senior Analyst, Revenue and Strategy | POLITICO *May 2024 - June 2025 | Washington, DC*

- Built and ran daily and monthly revenue reporting on a \$125M subscription book across 5,300-plus accounts, defining the funnels and attribution leadership used weekly to steer renewal and pricing decisions.
- Surfaced \$2.6M in recoverable ACV and \$250K in monthly expansion by analyzing renewal, upsell, and wallet-retention signals across a \$32M YTD bookings pipeline, tracking the flagship product to a 110% net wallet-retention rate.
- Enabled 21 Account Executives to adopt a new system with zero errors by directing a two-month, high-ambiguity Salesforce migration and establishing automated validation rules across 26,000-plus deal records.

Technology Sales Specialist | Quantum Corporation (incl. EnCloudEn) *Oct 2021 - Jul 2022 | Bengaluru, India*

- Recovered \$473K YoY by running Salesforce renewal audits across 80-plus accounts, driving ~105% of target and ~18% acquisition growth as the product and GTM interface between a 5-person engineering team and the SVP of Product.

Lead, Business Strategy | Peepal Consulting *Dec 2018 - Jul 2020 | Bengaluru, India*

- Exceeded quarterly revenue targets by 15% and earned the company's top performance award by directing go-to-market and account strategy across 56 enterprise accounts with targeted messaging.
