PROFESSIONAL SUMMARY

Go-to-market and product growth lead who builds revenue engines for technical products sold to expert buyers. Six years across a pre-seed AI startup, enterprise infrastructure, and a \$125M subscription business, owning the loop from positioning and demand through pipeline, enterprise commercialization, and the systems that run it. Comfortable as the only marketer in the room, building the playbook rather than inheriting one. STEM MBA; PMP certified.

EXPERIENCE

GTM & Product Growth | Aiseberg (Aisepedia)

Sept 2025 - Present | San Francisco, CA

- Built the US enterprise GTM motion from zero, generating **\$400K in qualified pipeline** across 134 tracked accounts and helping convert the first enterprise customer, Splunk (a Cisco company), from design partner to paid.
- Co-built a **27-member design partner program**, 18 at Director, VP, or SVP level across Atlassian, Splunk, and Taboola, opening a direct channel between enterprise buyers, GTM, and product.
- Ran **32 customer discovery sessions** and built the competitive battle cards and objection handling used across 30+ enterprise sales conversations.
- Owned the company's first San Francisco field program end to end: **36 senior attendees**, speakers from Meta, Google, and Atlassian, sourced through the design partner network.
- Built the lifecycle and activation system in n8n, HubSpot, and Calendly across an 8-stage funnel and 22 KPIs, and **cut early abandonment 24%** with instrumentation in Mixpanel and PostHog.

Senior Analyst, Revenue & Strategy | POLITICO

May 2024 - June 2025 | Arlington, VA

- Built the revenue reporting on a **\$125M subscription book** across 5 product lines and 5,300+ accounts, used weekly by the CEO, COO, and VP of Finance. 110% net wallet retention, 88% renewal.
- Surfaced **\$2.6M in recoverable ACV** and \$250K per month in expansion inside a \$32M year-to-date bookings pipeline.
- Migrated **21 account executives and 26,000+ deal records** onto a new system with zero errors, using automated validation rules.
- Turned retention and expansion analysis into revenue priorities for leadership and sales, and wrote the two SOPs for POLITICO's generative AI task force.

Technology Sales Specialist | Quantum Corporation

Oct 2021 - Jul 2022 | Bengaluru, India

- Recovered **\$473K in YoY revenue** by rebuilding Salesforce contract workflows and running renewal audits across 80+ accounts, closing booking discrepancies with validation logic and pipeline governance.
- Hit **~105% of target** and grew acquisition **~18%** by partnering with sales leadership on territory design, quota capacity, and performance tracking.

Technical Sales Specialist | EnCloudEn

Aug 2020 - Sep 2021 | Bengaluru, India

- Sold hyperconverged infrastructure to enterprise IT buyers who evaluated on architecture, building the solution demos, technical documentation, and sales training behind adoption.
- Influenced the product roadmap by translating enterprise requirements into technical specifications, feeding customer signal back to engineering through to the Quantum acquisition.

Lead, Business Strategy | Peepal Consulting

Dec 2018 - Jul 2020 | Bengaluru, India

- Exceeded revenue targets **nine consecutive months** across **56 enterprise accounts**, earning the Peepal Centennial Award. Promoted from Associate, Business Strategy in Feb 2020.
- Grew **digital reach 76%** by leading an industry-first leadership event alongside targeted campaigns, analytics, and sharper messaging.

EDUCATION

STEM MBA, Business Administration | American University, Kogod School of Business 2024, Washington, DC

Merit Scholarship. Graduate Research Associate to Prof. Mark Clark. President, ASCEND AU; VP Marketing, Graduate Business Association.

BE, Mechatronics, Robotics, and Automation Engineering | Acharya Institute of Technology 2018, Bengaluru, India
